#### NOTES:

As of May 2017, 260 communities in Oregon participate in the National Flood Insurance Program. Of these communities, 26 (or 10%) participate in the Community Rating System (CRS).

Of the top 50 Oregon communities (in terms of flood insurance policies-in-force), 18 participate in the CRS. The remaining 32 communities present an outreach opportunity for encouraging participation in the CRS.

#### Benefits of Joining the CRS

- \* Activities credited by the CRS provide direct benefits to the community, including enhanced public safety, reduction in flood damage and environmental protection.
- \* Residents are reminded that the community is working to protect them from flood losses.
- \* Public information activities will build a knowledgeable constituency interested in supporting and improving flood protection measures.
- \* Money stays in the community instead of being spent on insurance premiums.
