As of August 2020, 32 communities in Alaska participate in the National Flood Insurance Program (NFIP).
Of these communities, 5 (or 16%) participate in the Community Rating System (CRS).
Of the top 25 Alaska communities (in terms of flood insurance policies-in-force), 5 participate in the CRS.
The remaining 20 communities present an outreach opportunity for encouraging participation in the CRS.

Benefits of Joining the CRS

- * Activities credited by the CRS provide direct benefits to the community, including enhanced public safety, reduction in flood damage and environmental protection.
- * Residents are reminded that the community is working to protect them from flood losses.
- * Public information activities will build a knowledgeable constituency interested in supporting and improving flood protection measures.
- * Money stays in the community instead of being spent on insurance premiums.
