CRS Class Data: October 1, 2020 / Policy Data: August 7, 2020

For a full list of CRS communities, visit https://www.fema.gov/flood-insurance/rules-legislation/community-rating-system

As of August 2020, 177 communities in Connecticut participate in the National Flood Insurance Program (NFIP).

Of these communities, 14 (or 8%) participate in the Community Rating System (CRS).

Of the top 50 Connecticut communities (in terms of flood insurance policies-in-force), 13 participate in the CRS.

The remaining 37 communities present an outreach opportunity for encouraging participation in the CRS.

NFIP/CRS

Benefits of Joining the CRS

* *Activities credited by the CRS provide direct benefits to the community, including enhanced public safety, reduction in flood damage and environmental protection.*
* *Residents are reminded that the community is working to protect them from flood losses.*
* *Public information activities will build a knowledgeable constituency interested in supporting and improving flood protection measures.*
* *Money stays in the community instead of being spent on insurance premiums.*
