CRS Class Data: October 1, 2020 / Policy Data: August 7, 2020

For a full list of CRS communities, visit <https://www.fema.gov/flood-insurance/rules-legislation/community-rating-system>

As of August 2020, 577 communities in Georgia participate in the National Flood Insurance Program (NFIP). Of these communities, 54 (or 9%) participate in the Community Rating System (CRS). Of the top 50 Georgia communities (in terms of flood insurance policies-in-force), 32 participate in the CRS. The remaining 18 communities present an outreach opportunity for encouraging participation in the CRS.

- ### Benefits of Joining the CRS
- * Activities credited by the CRS provide direct benefits to the community, including enhanced public safety, reduction in flood damage and environmental protection.
 - * Residents are reminded that the community is working to protect them from flood losses.
 - * Public information activities will build a knowledgeable constituency interested in supporting and improving flood protection measures.
 - * Money stays in the community instead of being spent on insurance premiums.
