CRS Class Data: October 1, 2021 / Policy Data: July 31, 2021

For a full list of CRS communities, visit <https://www.fema.gov/flood-insurance/rules-legislation/community-rating-system>

As of July 2021, 680 communities in Missouri participate in the National Flood Insurance Program (NFIP).
Of these communities, 12 (or 2%) participate in the Community Rating System (CRS).
Of the top 50 Missouri communities (in terms of flood insurance policies-in-force), 7 participate in the CRS.
The remaining 43 communities present an outreach opportunity for encouraging participation in the CRS.

Benefits of Joining the CRS

- * Activities credited by the CRS provide direct benefits to the community, including enhanced public safety, reduction in flood damage, and environmental protection.
- * Residents know the community is working to protect them from flood losses.
- * Public information activities will build a knowledgeable constituency interested in supporting and improving flood protection measures.
- * Money stays in the community instead of being spent on insurance premiums.
