As of July 2021, 35 communities in Nevada participate in the National Flood Insurance Program (NFIP). Of these communities, 9 (or 26%) participate in the Community Rating System (CRS). Of the top 25 Nevada communities (in terms of flood insurance policies-in-force), 9 participate in the CRS. The remaining 16 communities present an outreach opportunity for encouraging participation in the CRS.

Benefits of Joining the CRS

- * Activities credited by the CRS provide direct benefits to the community, including enhanced public safety, reduction in flood damage, and environmental protection.
- * Residents know the community is working to protect them from flood losses.
- * Public information activities will build a knowledgeable constituency interested in supporting and improving flood protection measures.
- * Money stays in the community instead of being spent on insurance premiums.
